Why work with us?

Our Commitment

At Coverforce 3LP our focus is simple. We strive to protect you and make your life easier.

We consistently endeavour to do this by:

Asking the right questions

We don't waste your time with unnecessary information and ensure we leverage the data effectively with Insurers to your benefit.

Keeping you up to date with timely, regular communication

So that you always know what the latest development is with your renewal and don't have to worry about what's happening.

Making the process clear, simple and easy for you

To make the experience stress-free and straightforward so that you can get back to your business.

Being upfront and not lumping you with any surprises

We take the time to walk you through your program so you understand what you are and are not covered for. With our policies, what you see is what you get.

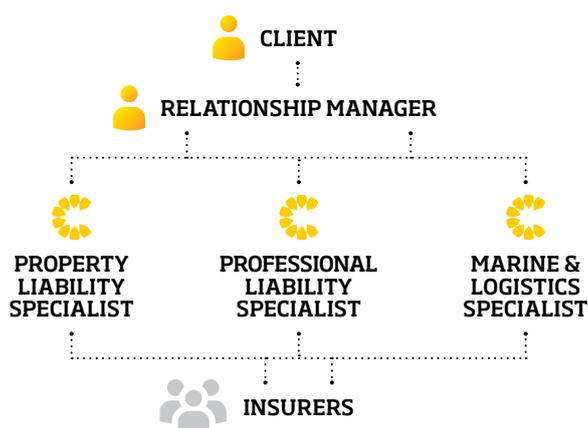

Making the experience enjoyable

Insurance can be such a chore so our focus is for you to enjoy dealing with us, simple as that.

We understand that it makes your life easier to deal with the one person who knows your history. So we nominate a single point of contact for you who works with our product teams to leverage your position in the insurance market to your benefit.

That's our commitment to you, specialist advice without the higher price.

Making insurance simple

We provide specialist insurance advice to clients in a variety of industries. With many decades of experience our three key areas of expertise are Marine and Logistics, Professional Liability and Property and General Liability.

MARINE AND LOGISTICS

This division specialises in serving the maritime and transportation industries. We offer insurance advice for Marine Cargo, Commercial Hull, Commercial Motor and Truck Insurance, Transport and Logistics, Plant and Equipment and a range of marine liabilities including Marina Operators, Ship Repairers and Freight Forwarders Liability.

PROFESSIONAL LIABILITY

In the ever changing regulatory environment, it is crucial to be across any policy developments that could affect your business. We can assist you with a range of products including Professional Indemnity, IT Liability, Statutory Liability, Medical Malpractice, Management Liability and Cyber.

PROPERTY AND GENERAL LIABILITY

We can provide you with a full analysis of your current business exposures and provide suitable solutions. We provide a range of products in this area including Property, Business Interruption, Machinery Breakdown, Construction and Public and Products Liability.

In addition to these three key areas, we utilise other specialists to provide insurance advice for Life and Superannuation, Workers Compensation and Trade Credit/Surety.

About us

Coverforce 3LP is an insurance brokerage based in Brisbane that challenges the existing 'general broker' paradigm. Instead of the 'jack of all trades' approach, we leverage our team of product specialists to bring you expert advice to meet your specific needs.

We operate under three key areas covering Marine and Logistics, Professional Liability and Property and General Liability. Our mission is to ensure you not only get the insurance you need at a great price, but enjoy the process along the way.

Coverforce 3LP is part of Coverforce Partners, a division of top broking partners under the Coverforce umbrella. As Australia's largest privately owned insurance brokerage, Coverforce has been providing insurance advice to a wide range of businesses since 1994. Being part of this elite broking network allows us to combine our collective knowledge and resources with the Coverforce team to bring you even better solutions.

Our Management Team

Each member of our management team are held responsible for leading their specific areas of expertise. By having dedicated skills consultants for different areas we can provide you with relevant, targeted insurance advice, each and every time.
