What to do after an Accident ..

If you are involved in a motor vehicle accident, you must:

1. **Stop and provide assistance:** Stop immediately and provide reasonable assistance to any injured parties, to the level of your ability;
2. **Contact emergency services:** Arrange for Police, Ambulance or Fire Brigade assistance as necessary. The Police must be called if anyone is injured or if the vehicle is not driveable;
3. **Make sure the scene is safe:** try to avoid any further injury or damage, to the level of your ability. Be aware of potentially dangerous situations, such as fuel spillage and fallen power lines.
4. **DO NOT ADMIT LIABILITY!**
5. **Comply with Police reporting requirements.** You are not required to sign any formal statement taken by Police or anyone else at the accident scene.
